41 Japanese Face Death for Slaying 3 American Fliers

Two of 45 Defendants Are Acquitted, One Gets 20 Years in Prison

Yokohama, March 16 (AP)—A U.S. military court today sentenced 41 Japanese navy men to the gallows for executing three American fliers on a Pacific island.

Two of 45 defendants were acquitted, a third was sentenced to 20 years imprisonment, and a fourth to five years.

The victims, slain after they parachuted near Ishigake Island in the Okinawa group April 15, 1945, were named as:

Navy Lt. Vernon L. Toba, Pennsylvania; Warren H. Loyd, radioman, (6811 Burns street) Forest Hills, Long Island, N. Y.; and Robert Tuggle, ordnanceman, Brownwood, Tex.

The courtroom was crowded as the Japanese, clad in old American khaki uniforms, listened solemnly to their death sentences. Each Japanese bowed before he was led from the courtroom.

It was the largest mass trial in Japan in more than two years and the number of death sentences was unprecedented.

The chief defendant was ex-Capt. Otoniko Inoue, commander on Ishigake Island where the three Americans were brutally slain in an eerie ceremony under a bright moon.

Toba was forced to kneel with his head over a freshly dug pit. Navy Lt. Minoru Makuda (now condemned) beheaded him. Tuggle was next. Ensign Yasumasa Taguchi slashed his back with a saber and the body was kicked into the pit. (Taguchi also drew the death penalty today.)

Loyd was bound to a stake, beaten for 20 minutes, then bayoneted by more than 40 screaming Japanese.

The same stake was used to mark the trio's rough grave. There was no inscription, and Inoue ordered his troops never to mention the executions.

The three bodies were secretly exhumed when the arrival of American troops on the island was imminent. After cremation, the ashes were taken to sea.

House Committee Cuts Farm Agency

Total of \$513,421,453 Is Approved for Year; Lunches Included

Washington, March 16 (AP)—A 4.2 per cent cut in the Agriculture Department's \$513,421,453 budget for next year was urged today by the House appropriations committee.

But besides approving \$513,421,453 in new cash for the department, the committee recommended \$65,000,000 for the school lunch program and \$400,000,000 in loan authority for the Rural Electrification Administration.

The cash outlay included \$150,000,000 to pay farmers for soil

Man Fires Into Crowd of Students, Kills Boy And Wounds 6 Others Near Columbus Circle

New York, March 16 (AP)—A two-gun maniac, imbued with a wild urge to "kill Catholics," fired a fusillade of shots into a crowd of 400 screaming parochial school students yesterday, killing one boy and wounding six others.

"They killed my son," the slayer, identified by police as Serbian-born Marko L. Markovich, 64, cried brokenly after his capture.

The attack, which plunged the busy Columbus Circle area into an uproar, took place shortly before 3 p. m. E.S.T. outside an armory where Catholic students of Power Memorial Academy were rehearsing for tomorrow's St. Patrick's Day parade.

Brandishing two revolvers, the fanatic rushed into the terror-stricken crowd and opened fire. Thomas Brady, 16-year-old sopho-

Capitol Buzzes With Speculation Over Tone of Address Tomorrow

Washington, March 16 (AP)—A troubled Congress awaits President Truman's report tomorrow on world conditions amid speculation of stepped-up Russian pressure on non-Communist Europe.

The Chief Executive kept his own counsel. He did not say what caused his sudden decision to address a joint session of the Senate and House at 1:30 p. m. on St. Patrick's Day.

The White House simply announced that Mr. Truman will discuss the "foreign situation."

There was no advance indication of what—if any—steps he might suggest to cope with what Secretary of State Marshall has called a "great crisis" and a "fatal" hour in world affairs.

But without any hint of what the President has to tell them, lawmakers generally directed their thinking along these lines:

1. There may be new Soviet expansion plans—possibly directed at pushing past Finland toward the Scandinavian countries.

2. These may involve a Russian gesture toward defense pacts with Norway, Sweden and Denmark, the sort of treaty Finland is in the process of being forced to swallow.

3. If any such moves should prove successful, they might help swing the April 18 Italian election to the Communists.

4. After Italy, whatever the outcome there, the Soviets may turn their attention anew to Turkey.

5. Whether the President would even go into such matters remains unknown.

But from across the world and at home came some confirmation that events are moving along these lines.

Swedes Ask Action
The Swedish defense staff was said in Stockholm dispatches to have asked King Gustav V for measures to strengthen that country's defenses. The staff stressed "the increased danger of war."

And the State Department here served notice on the Italian people that they won't get a nickel under the Marshall Plan if that country goes Communist.

Furthermore, some Washington officials saw trouble ahead for Turkey in the word that Moscow is going to fill its long vacant ambassadorship in Ankara.

That post has been empty since the Kremlin let up in its campaign of more than a year ago to win a voice in control of the Dardanelles and gain other concessions from Turkey.

However, some quarters regarded the President's talk as most likely to be a summing up of world conditions—without any finger-pointing at specific Russian actions.

The Chief Executive used a similar personal appearance before Congress a year ago to outline his "Truman doctrine" of American aid for Communist-threatened nations.

But one senator who asked not to be quoted by name said he thinks Mr. Truman this time will simply tell Congress what he thinks the score is, without suggesting any new line of action.

It was the Greek-Turkish crisis of 1947 that prompted the "Truman" speech. Hence the President's appearance tomorrow will give him an opportunity to restate his view that there is an urgent

River Ice Still Holds But Shows Weakness

Although the ice in the Hudson river and the Rondout creek is cracked and "honey-combed," it has not yet started to move out, it was reported today at the Rondout light station.

The ice in the river is about two inches thick and "still quite solid although cracked all over," it was reported.

Channels are open, and river transportation has been maintained between New York and Albany for several weeks, the light-keeper said, and a channel about 10 feet wide is open for a distance up the Rondout creek.

Board of Estimate Proposed for City By Charter Group

Inclusion Committee Says Would Elect Comptroller

The inclusion of a Board of Estimate in the proposed revised city charter would be advisable, members of the Charter Revision Committee agreed at a meeting Monday evening.

This board would consist of the mayor, an elected comptroller, the president of the Common Council, and the minority party leader of the Common Council, and its duties would be to fix the salaries of all city employees, prepare the annual budgets, supervise the letting of contracts, and other financial duties.

Members of the committee termed this set-up desirable because it would "place the responsibility in the hands of elected officials," and would lead to a more efficient, business-like management of the city's finances.

Members of the Charter Revision Committee who were present at the meeting, which was held in the mayor's office, were Chairman John J. Schwenk, Arthur A. Davis, Jr., George E. Xerox, Jr., and James E. Murphy, Acting Secretary Thomas W. Miller was also present.

The next meeting of the committee will be held on Tuesday, March 23. The other member of the committee, Carlton S. Preston, has been out of town this winter, but is expected to join the committee within several weeks.

Krom Held on Charge Of Burglarizing Garage

Walter Franklin Krom, 20, of New Paltz was held for the grand jury when arraigned yesterday before Peace Justice I. C. Barnes of New Paltz on a third degree burglary charge, according to a sheriff's report.

Krom was arrested Monday following an investigation by County Identification Officer Leonard Belmont and Deputy Sheriff Leonard Nowkirk of New Paltz. He is charged with having entered Ackert's Garage, Main street, New Paltz, on March 12. A small sum of money had been taken from a cash register, the officers said.

More Than Million Cleared

Washington, March 16 (AP)—The F.B.I. has cleared more than a million federal workers through its loyalty inquiries. Director J. Edgar Hoover said today that his agency has returned to the Civil Service Commission 1,005,944 loyalty forms marked "no disloyal data."

100,000 Are Out in Meat Wage Rift

Nation's Packing Plants Are Affected as CIO Posts Pickets Early Today

150,000 Are Busy

AFL, Independents Are Still on Job; Send Wire to Truman

Chicago, March 16 (AP)—Picket lines formed at the nation's meat packing plants today as 100,000 C.I.O. employees were called out on strike despite a last-minute effort by President Truman to settle the wage dispute.

The work stoppage, affecting approximately 140 of the country's meat plants, is expected to cut in half the nation's meat supply.

The strike became effective at 12:01 a. m. local time, and immediately pickets were posted in several of the cities across the country, including Chicago, where 20,000 workers are involved.

All of the major packers and scores of independent companies were affected by the strike, ordered last night by the 27-man executive committee of the C.I.O. United Packing House Workers of America.

However, about 150,000 other employees in the meat plants were expected to remain at work. They are members of independent unions and of the A.F.L. Amalgamated Meat Cutters Union which have settled their wage differences with the packers.

The committee, after receiving Mr. Truman's telegram urging the work stoppage be delayed while a special board of inquiry investigated the dispute, telegraphed the President "the strike must proceed."

Any day of strike action at this time would obviously serve no fruitful purpose in promoting a solution of this wage issue," the committee told President Truman.

Asks Parley Continue
Mr. Truman had asked the union to continue negotiations until the board reported to him on April 1. Under the procedure proposed by the President the strike would have been delayed 30 days.

As the strike deadline arrived, pickets started their march before the plants—about 78 independent and 62 operated by the major companies, Swift, Armour, Wilson, Cudahy and Morrell. There was no untoward incident in any of the cities from New York to Los Angeles.

The strike stemmed from a dispute over the C.I.O. union's demands for a wage increase of 29 cents an hour. However, the packers offered a pay boost of nine cents an hour, which recently was granted the A.F.L.

The C.I.O. union on Sunday had proposed to accept the major packers' offer of nine cents, but was unresponsive to January 12, and asked arbitration of the differences.

Offer Withdrawn
However, Wilson & Co., which offered nine cents an hour, withdrew its offer. The proposal to arbitrate was rejected by Swift and Co. and Cudahy Packing Co. The union bid to arbitrate was not answered by Armour and Co.

John Morrell and Co., ranked as the fifth major packer, was not involved in the negotiations which usually set the pattern for the entire packing industry.

Ralph Helstein, C.I.O. union president, said in a statement the union's wage demand was derived from the U. S. Bureau of Labor Statistics "city workers' family budget." Helstein said this budget, for a family of three, and assuming steady work throughout the year for 40 hours a week, would require an hourly wage rate of \$1.39.

Coal Walkout May Sweep Most of Industry in 24 Hours

Total of Idle Today Is Set at 265,000 Miners or 65 Per Cent of Total; All Major Steel Industries in Pittsburgh Area Are Idle

Pittsburgh, March 16 (AP)—The flow of coal to this steel capital came to a dead stop today as thousands more bituminous miners joined the "pensions walkout" of the United Mine Workers.

More than 265,000 miners—or 65 per cent of the nation's 400,000 soft coal diggers—were idle in the two-day-old stoppage. They seek \$100 monthly pensions for veteran miners.

All major steel industry and commercial mines in the Pittsburgh-Uniontown area were shut. The U.S. Steel Corp., leading steel producer, was losing its entire Pennsylvania coal output of 60,000 tons daily, with 14 mines down.

Other steel firms affected included Jones & Laughlin, Republic, Weirton, Bethlehem, and Youngstown Sheet & Tube.

All 23,000 members of the United Mine Workers had quit their jobs in Illinois and large quotas had stopped work in 11 other states.

In Washington, U.S. mediation officials were hastily exploring ways to stop the walkout. They were undecided what to do. The strongest possibility seemed that the government would try to mediate as long as there seemed hope of a solution.

Even should President Truman seek another injunction against U.M.W. President Lewis, there was some question whether the court could find anything to restrain Lewis' contract, signed by the industry last July 8, provided only that miners should work as long as they were "able and willing."

The Taft-Hartley Act provides machinery for keeping vital industries going in a national emergency but it would take some time to get its provision into action.

Meanwhile, the number of miners idle continued to swell. In West Virginia, 64,000 out of 100,000 had walked out of the pits. The Williamson field in southern West Virginia, employing 14,000

Portugal Asks Spain Be Helped

Foreign Minister Lauds Spain, Says He Can't Understand Any Exclusion To Draw Treaty

Paris, March 16 (AP)—The European Recovery Conference voted unanimously today to include western Germany in the scope of the Marshall Plan.

Portugal's foreign minister, Jose Caeiro Da Mata, proposed before the second and final general session of the conference this afternoon that Generalissimo Franco's Spain be included, a move praised Spain as having made a great contribution to European culture and mentioned her "considerable agricultural resources."

"It is not easy to understand how it would be possible to keep a country like Spain for a long time outside our deliberations," Da Mata said. He approved the invitation to German representatives.

Portugal Asks Spain Be Helped

Foreign Minister Lauds Spain, Says He Can't Understand Any Exclusion To Draw Treaty

Experts Are Told They Must Go Ahead With Details

Paris, March 16 (AP)—The European Recovery Conference voted unanimously today to include western Germany in the scope of the Marshall Plan.

Portugal's foreign minister, Jose Caeiro Da Mata, proposed before the second and final general session of the conference this afternoon that Generalissimo Franco's Spain be included, a move praised Spain as having made a great contribution to European culture and mentioned her "considerable agricultural resources."

"It is not easy to understand how it would be possible to keep a country like Spain for a long time outside our deliberations," Da Mata said. He approved the invitation to German representatives.

Action on this suggestion was deferred. The recovery program will be financed by the United States at an estimated first year cost of \$5,300,000,000.

The conference of the 16 nations charged its experts to draw up statutes of a permanent organization and articles of a treaty to bind it.

The experts will go on with their work in closed meetings and release their decisions from time to time.

Alphonse Alphonse of the French foreign office read the report recommending the inclusion of western Germany in the recovery program.

"It being impossible to achieve the economic unity of Germany, it was thus reasonable that the French zone and the Anglo-American zone be independent for European reconstruction," Alphonse said.

To Have Delegates
The three western zones of Germany will be represented by delegates from the Allied Military Governments, assisted by "competent officials," Alphonse said. The reference was understood to mean German officials. Alphonse said the question of a vote for the German delegates would not arise.

The conference also adopted without objection a report on progress, to be submitted to the United States.

Foreign Minister Oesten Under of Sweden told the conference his government believed that "the moment" has arrived to take a decision "for the reconstruction of Europe."

Karl J. Burckhardt, Swiss minister to Paris, said Switzerland "would like to reaffirm its confidence in the nations' cooperation to restore Europe. He said Switzerland would make the 'fullest contribution'."

The conference completed its agenda at 4:17 p. m. (10:17 a. m. E.S.T.).

British Foreign Secretary Ernest Bevin said in a closing speech: "I am convinced that the fate of Europe and the world will be decided by the intensity of our work during the next few months. The war against poverty and want will be won. We must be ready immediately to go into action as soon as the European Reconstruction Program is decided. We must bring hope and security to the working masses and liberty to all."

The committee's recommendation is almost certain to be accepted by the second and final conference session this afternoon. All 16 nations are represented among the experts.

The conference has referred all its vital decisions to the committee for recommendations.

The Marshall Plan union began taking shape today as delegates wound up preliminary speech-making phases of their conference.

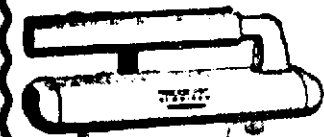

The program will be financed by the U. S. Treasury. The Senate early Sunday voted a \$5,300,000,000 program for the first year of operation. The House has not acted.

The admission of Germany was one of four points for organized labor.

Jersey Has Confidence Bill
Trenton, N. J., March 16 (AP)—Legislation has been offered to permit radio stations and news commentators to withhold their sources of information—just as New Jersey newspapermen now can. The measure introduced yesterday, would extend a privilege held by newsmen for many years in this state. The statute allowing for confidential sources was enacted after a 1913 court case in which a Jersey (city) Journal reporter was cited for contempt.

Costa Rican Troops Seize Rebel Stronghold Near Cartago

San Jose, Costa Rica, March 16 (AP)—Costa Rican troops have captured the stronghold of rebel leader Jose Figueres, the government said today.

The country is completely calm, a communique added, and the government has everything under control.

The captured rebel stronghold was identified as San Cristobal, below Cartago, which is 45 miles south of here. The government also said one of Figueres' mountain ranches was taken.

Two columns of troops, one commanded by Col. Diego Lopez Roig, director general of national police, converged on the ranch by different routes last night, the announcement said.

The government said Figueres had help from Nicaraguans and Guatemalans.

Airplanes and army officers from Nicaragua have arrived in San Jose to aid the government.

The government reported only one death during the San Cristobal fighting.

Open revolt flared in this Central American republic Saturday after President Teodoro Picado Michalski declared martial law.

Block Says Murphy Victim of Gambling And Night Clubs

Assistant U. S. Attorney Says Postal Clerk Took \$5,000 in 9 Months

New York, March 16 (AP) A federal grand jury filed yesterday a 111-count indictment against Edward P. Murphy, of 144 Spring street, Kingston, N. Y., charging him with embezzling \$5,000 in nine months of 1947 and 1948 while a clerk in the Kingston post office.

According to Assistant U. S. Attorney Frederick H. Block, Murphy had been in charge of the parcel post window at the Kingston post office and when packages came in would call up the addressee and ask that the packages be called for, and would embezzle the money paid to cover the parcel post charges.

Murphy was arrested February 13 in Kingston by post office inspectors and was held in \$1,000 bail by a U. S. commissioner in Kingston, pending yesterday's indictment, Block said.

Murphy, 32 years old and single, lived with his widowed mother, Block said, and was excused from war duty because three brothers were in the armed services. He was appointed a temporary clerk and carrier March 27, 1944, and received \$50 weekly. Block said Murphy's proclivity for night clubs and gambling accounted for the alleged thefts. If convicted, Murphy would face possible imprisonment for 10 years on each count, and a fine amounting to the money embezzled, Block said.

In order to avoid detection, according to Block, Murphy in a number of instances made entries indicating falsely that parcels had been returned to the senders or had been forwarded to other cities. When inquiries were made by such New York stores as Macy's, Stern Brothers, Gimbel's, the post office at Kingston would advise in reliance on Murphy's alleged false entries, that the parcels had been lost.

When inquiries became so numerous, Block said, post office authorities checked with the addressee and learned from them that they had received the parcels and paid Murphy for them.

When arrested, according to Block, Murphy admitted the thefts and said he had lost the money gambling at cards.

Murphy will be arraigned on the indictment Thursday in federal court here.

Wide Search Is Made

Concord, Vt., March 16 (AP)—A seven-state search was underway today for a former convict in the gunpoint seizure of the 16-year-old daughter of a Concord farmer, Sheriff John H. Wilson said. A warrant had been issued charging Kenneth A. Ingalls, 34, a lumberjack, with assault with a dangerous weapon and that a kidnapping charge may be brought later. Wilson said pretty Charlotte O'Brien, a high school senior, was seized at her farm home Sunday night after Ingalls threatened her parents. Neither Ingalls nor the girl have been heard from since.

Scene in Passion Play

One of the important scenes in The Life of Christ to be portrayed at the First Dutch Reformed Church tonight and Wednesday beginning at 8 p. m., is that of Nicodemus' visit by night to Jesus. Left is Richard Tailleux as Jesus and seated is Harry duBois Frey as Nicodemus. (Freeman Photo)

Health for All

Home Care of the Sick

You may be called upon at any time to take care of a sick child or adult in your home. When that does happen, there are certain things you should know and bear in mind to serve the best interests of your patient.

Never attempt to diagnose or treat a seriously ill person on your own. Call the doctor immediately and get the proper diagnosis and instructions from him. Your program of care for the sick person should be an intelligent performance of the doctor's orders only.

Once the doctor has diagnosed the patient's illness and told you what to do, follow his instructions to the letter. When you care properly for a sick person in your charge, you not only make him comfortable but also help to speed his recovery.

It is often wise to write down the doctor's directions to help you remember details. Perhaps the doctor may want a written record of the patient's reactions and progress in between his personal visits. The mere fact that he requests it means that it is important and is a vital part of your care for the patient. Do it carefully and conscientiously.

Although the doctor may prescribe special care and procedures in many instances, a number of general rules apply in all home care of the sick.

While you are caring for the sick person be cheerful, sympathetic and optimistic in your attitude. When you are in attendance, at all times wear clothing that is washable and can be kept clean. Wash your hands carefully with soap and water before and after attending the patient.

The sick person should have quiet and privacy in a room to himself, if at all possible. The room itself should be well lighted and easily ventilated and kept scrupulously clean. A damp cloth can be used daily to remove dust without scattering or raising it.

The nearer the patient is to the bathroom, the better it is for him and his attendant if he is allowed out of bed to go to the bathroom. If a patient has discharges from the throat and nose, use paper tissues that can be burned after use.

If your community has a public health nurse or visiting nurse, ask your doctor to send her to your home and show you the best nursing methods to care for a sick person.

Take advantage of any Red Cross home-nursing class that might be taught in your community. Your enrollment for instruction would be excellent preparation for any emergency that might require your nursing care.

Moore said the spending ban violates the freedoms of speech, press and assembly and thus is unconstitutional.

Senator Taft (R-Ohio), co-author of the act, said at Portland, Me., where he is campaigning for the G.O.P. presidential nomination: "I don't see how he can make a general finding of this kind."

Rep. Hartley (R-N. J.), whose name the law also bears, was not available for immediate reaction.

In his decision Moore said the Supreme Court in the past has sanctioned regulation of political activity but never has approved a complete ban. He added there is hardly any way a union can engage in politics without spending some money.

C.I.O. attorneys hailed the ruling as removing "a gag" on union political activity. But the Justice Department said that pending a final Supreme Court review it will continue its prosecutions of union political spending.

The department said it will go ahead with another indictment, returned at Hartford, Conn., against an A.F.L. painters local. The local is charged with using union funds to buy newspaper advertising and radio time to oppose Taft's presidential candidacy.

was shut down tight. J. J. Ardigo, secretary of the Williamson operators' Association, said he had no idea when the men would go back. Ardigo added:

"As long as the men are able but not willing, they won't work. Maybe when the workers are willing, the companies won't be willing and able."

In Pennsylvania, 39,000 out of 96,000 had quit. The number of idle in Ohio grew to 7,300 out of 16,000 and three of the state's largest mines were shut down.

Utah, which has 3,600 miners, saw its idle jump from 700 to 1,800. A union spokesman predicted 100 per cent absenteeism by nightfall.

Kentucky had 45,000 not working, Alabama 13,000 and Virginia 9,000, while Wyoming, Indiana, Tennessee and Colorado had smaller numbers off the job.

Sent Letters to Locals

The walkouts came after U.M.W. President Lewis sent letters to his locals last Friday telling them operators "have dishonored the 1947 wage agreement and defaulted under its provisions affecting the welfare board."

Lewis wants the money paid out of a welfare fund made up from a 10-cents-a-ton royalty on coal paid by the operators. The operators contend the proposed pensions are "too expensive." The

welfare fund now contains \$30,000,000.

The current mine contract does not expire until June 30.

At Cincinnati, R. E. Howe, president of Appalachian Coals, Inc., estimated the nation's stockpile of coal at 34 days' supply for industrial consumers, four days for domestic users. He said some industries probably have up to 60 days supply in their bins and that some domestic consumers are also well fixed.

Trinity Lutheran Mid-Week Service Set for Wednesday

Another in the series of weekly Lenten services will be held at the Trinity Evangelical Lutheran Church, Spring and Hone streets, Wednesday at 7:30 p. m., the Rev. Frank L. Gollnick, pastor, has announced.

Part VI of the History of the Passion of Our Lord will be read at this sixth service and the old Lenten hymns will be sung.

During the general prayer there will be the usual quiet time for the individual petitions of the members of the congregation. The service will close with the singing by the choir of the Lenten Litany based on The Cross.

The Rev. Mr. Gollnick will preach the sixth of a series of sermons on the Disciples of Christ and his theme will be "The Open Bible."

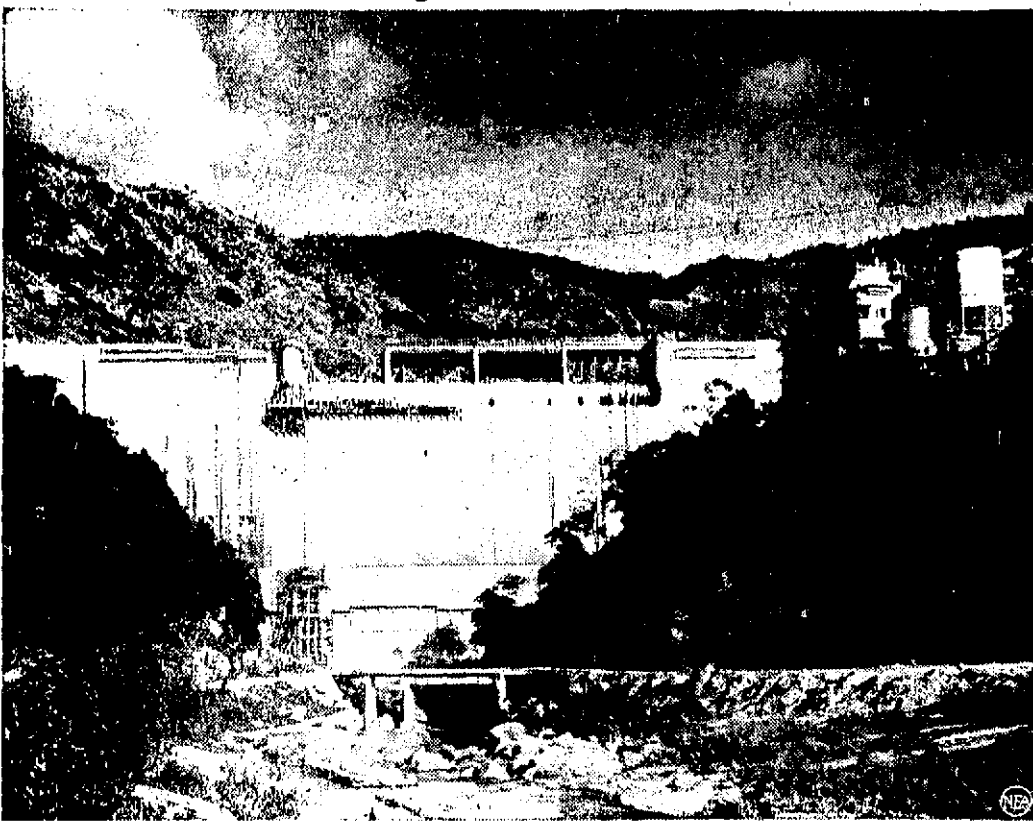

The following musical program has been arranged by Mrs. Wilbur Burke, choir director, and Miss Lucinda Merritt, church organist:

Prelude, Allegretto from Sonata in G, Elgar; anthem, "Teach Me, O Lord, Attitude: solo, Be Thou Faithful Unto Death, Mendelssohn, rendered by John McCullough; postlude, Finale, Fugues. The public is cordially invited to attend this special Lenten service.

Immediately after the service the senior choir will rehearse.

AT NO INCREASE IN PRICE!

While Other New Car Prices Are Advancing

HERE'S WHY Kaiser-Frazer can make this announcement while other new car prices spiral upward. Kaiser-Frazer controls its own supply of many basic raw materials . . . has its own engine plant, foundry and steel mill. Materials from these sources funnel into new and modern Willow Run—the largest automobile manufacturing plant in the world under one roof.

Unfinished steel goes in one end of this great plant and comes out a quality automobile, ready to be driven away. All this is accomplished in a matter of hours, and with the economy of Kaiser-Frazer straight-line production. This is an achievement of men who are injecting new methods and ideas into an old industry.

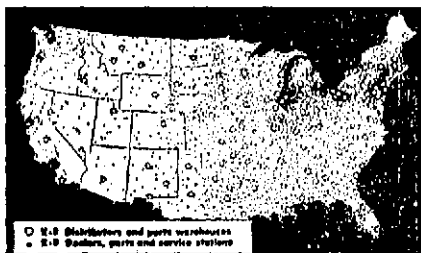

In the new 1948 Kaiser, Frazer, Kaiser Custom, and Frazer Manhattan you get all the features

that others have attempted to copy since Kaiser-Frazer design was introduced in 1947.

So far no one has been able to more than approximate the graceful exterior body lines. No one has come near matching the roadability . . . the ride resulting from seats cradled between the front and rear wheels, such wide seats with both elbow and shoulder room. And none have the style features, the wide choice of colors and fabrics.

You get all this plus the many refinements made possible by years-ahead engineering and design. And, of course, all 1948 Kaiser or Frazer cars have the new Goodyear 24-pound pressure Super-Cushion tires that make bumps something you see but never feel.

Enjoy a ride today in America's newest new cars—the 1948 cars that have not gone up in price!

Wherever you drive, wherever you go, 'round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts and approved service.

Marshall Hasn't Learned Yet

For two years or longer public sentiment has been strong for closer cooperation with China. Today, it is only with reluctance that Truman and Marshall give in to Congressional pressure and agree to a loan or other aid for China.

Neither the President nor Marshall is yet willing to include military supplies in the China aid bill, though the Far Eastern debt between us and the Red Tide is no less important than a dam in Western Europe.

It is hard to understand how a man with Marshall's military reputation could be so blind to the military situation. Does he want the Chinese Communists to overrun China?

On January 17, 1947, as Marshall was about to return from the Far East to become Secretary of State, I raised the question in this newspaper:

"Will General George C. Marshall, as Secretary of State, support the fallacy that you can do business on a normal basis with the Communists?"

That was an all-important question then. Time was running out. Marshall has answered it for us in the affirmative, and time may have just about run out for him.

If you ask any twenty men you meet whether or not we need a strong and friendly China rather than a bankrupt and rotten China, about 19 of them will give you the right answer.

More Failure

Why can't a president and a secretary of state be as smart? Any of the 19 will likely tell you that you can't do business with Communists, yet Mr. Truman as late as last fall ridiculed "the Communist bugaboo" and said he didn't believe anybody wanted to overthrow the United States government.

As late as last month Marshall told a congressional committee he intended to use Marshall's plan money in such a way as to "pressure all the governments of Europe" to make them do business each with the other. This included Russia and satellite states, as Marshall pointed out.

It doubtless would be obvious to any of the above cited 19 Americans that Stalin would be most grateful to Truman and Marshall for pressuring Western Europe into accepting Stalin's terms on business deals for Stalin will trade only in his own terms.

After 14 months as Secretary

of State, Marshall has learned nothing.

of State, under an avalanche of criticism and with America's position deteriorating to the most critical point in U. S. history, the man who was supposed to be a brilliant chief of staff has learned exactly nothing about doing business with Stalin.

Meanwhile, he seems to have forgotten whatever he once knew about military strategy; else he would be more concerned about China's vast pool of manpower, at Russia's border.

Hoisted

A few hours before Truman announced Marshall's appointment as secretary of state, the general, then failing to force Chiang to compromise with Communists, issued the following statement:

"The dyed-in-the-wool Communists," said Marshall, "do not hesitate at the most drastic measures to gain their ends, as for instance, the destruction of communications in order to wreck the economy of China and produce a situation that would facilitate the overthrow of the government without any regard to the immediate suffering of the people."

At that time I cited this statement as giving us grounds for hope that Marshall had learned his lesson. But after 14 months of frustration and failure in his efforts to deal with Moscow he still says he is going to pressure Western Europe to deal with Moscow.

After 14 months more watching our most valuable potential future ally disintegrate, Marshall, the ex-general, still opposes military aid to Chiang and agrees to economic aid only as a gesture to get Congress to pass his pet ERP.

We may be sure Stalin has taken the measure of his enemies, Truman and Marshall. He can see that they are hogtied by the Soviet-loving minority vote in the pivotal states.

Their weakness invites the man in the Kremlin to throw his armies all the way to the English Channel. This he may do before the next Presidential election.

Plan Chapter of Gold Star Mothers

A call to Gold Star Mothers of Kingston and surrounding area for the purpose of organizing a chapter of the American Gold Star Mothers, Inc., has been made by Mrs. Viola B. Foley, second vice-president.

Mrs. Foley, who is in charge of 18 counties from Dutchess county on the east side of the Hudson river and Ulster county on the west side to the Canadian border, has just recently completed the organization of a chapter in Poughkeepsie and is anxious to form one in this city.

"Any Gold Star Mothers who are interested in the formation of a chapter in Kingston may write to me and I will gladly send further information and assist in the early organizing," Mrs. Foley said.

The American Gold Star Mothers, Inc., which was organized June 4, 1928 and incorporated January 5, 1929, has 30 chapters in New York state. The state unit was organized September 19, 1937.

Any mother whose son or daughter has given their life in World War I or World War II may become a member of the organization, providing she is an American citizen, either by birth or by naturalization. At the 1941 national convention it was voted to open

Drama Festival At Teachers College

A Drama Festival will be presented by the New Paltz Players of the New Paltz State Teachers College Friday, 8:30 p. m., in the college auditorium. Three plays have been chosen: "Trifles," "A Night at an Inn," and "Ante Spring." The first play centers around a young widow who is being tried for the murder of her husband. To the young men involved in the situation, the evidence is only "trifles," however, to the sympathetic women these "trifles" mean tragedy and heartbreak.

Speaker Changed For Junior Women

Miss Isabel Morris will replace her mother, Mrs. Susanne Hyde originally scheduled for the guest speaker at the Junior Married Women's Club meeting Thursday at 8 p. m. at the Y.W.C.A. Miss Morris recently returned after living in France for two years. She was associated with the Save the Children Foundation and worked in France, Belgium, Holland, Switzerland and England. Her topic will concern conditions as she found them regarding children and schools.

Crawford Millham, Jr., Janet Hornbeck Wed In Presbyterian Church

First Presbyterian Church was the setting for the marriage of Miss Janet Hornbeck, daughter of Mr. and Mrs. Howard J. Hornbeck, 199 O'Neil street, Sunday at 2 p. m. to Crawford G. Millham, Jr., son of Mr. and Mrs. Crawford G. Millham, 289 Clifton avenue. The Rev. William J. McVey officiated at the double ring ceremony.

Miss Anna Merrill was organist, Miss Anita Koles was soloist and sang "Because," and "O Promise Me." Baskets of spring flowers were used for the church decorations.

Mr. Hornbeck gave his daughter in marriage. Her gown on train was white, frosted marquisette and her illusion veil was attached to a crown of orange blossoms. She carried white roses.

Miss Gurnsey Burger, Jr., sister of the bridegroom, as matron of honor wore a pink tulle gown with matching headpiece and carried a nosegay of pink roses and white carnations. Carol Ann Hornbeck, the bride's cousin, as flower girl wore a white net gown and carried a basket of pink and white roses.

Gurnsey Burger, Jr., brother-in-law of the bridegroom, acted as best man. Ushers were Frank Hornbeck, uncle of the bride, and Kenneth G. Millham, brother of the bridegroom.

A reception for 50 guests was held at Judge's. Afterward Mr. and Mrs. Millham left for a wedding trip to New York city. She chose for her traveling ensemble a pale blue suit with gray top coat, black accessories and corsage of Rapture roses. They will make their home at 87 West Pierpont street.

Both the bride and bridegroom are graduates of Kingston High School. Mrs. Millham is employed in the Ulster County Highway Department. Mr. Millham is employed at Boice Brothers Dairy. He served in the Army Air Corps in the Pacific area.

Wadlin Will Speak
To Republican Club

John F. Wadlin, who has been Ulster county's representative in the New York State Assembly since 1940, will be the guest speaker for the Ulster County Women's Republican Club Thursday evening at 8 o'clock in the Governor Clinton Hotel. His topic will be "What the Legislature Has Been Able to Accomplish This Season."

All Republican women of Ulster county are invited to the meeting. Mr. Wadlin is chairman of the Assembly on Labor and Industries and the Clinton-Wadlin bill outlawing strikes of governmental employees bears his name. Assemblyman Wadlin also serves on the Codes Committee, the Internal Affairs Committee, and the City of New York Committee.

Mr. Wadlin lives at Highland where he has been a practicing attorney since 1925. At the time of his election to the Assembly in 1940 he was serving as chairman of the Ulster County Board of Supervisors.

MR. AND MRS. DOUGLAS ROOSA

Douglas Roosa Wed Betty Louise Emerick Sunday Afternoon

Miss Betty Louise Emerick, daughter of Mr. and Mrs. Richard J. Emerick, Otis street, was united in marriage to Douglas Roosa, son of Mr. and Mrs. John Roosa, 386 Albany avenue, Sunday at 5 p. m. The double ring ceremony was performed by the Rev. Frank E. Sealey, D. D., at his home on Maiden Lane.

The bride wore a royal blue crepe dress, black accessories and corsage of white roses. Her maid of honor, Miss Ann Bruno, wore a beige dress, black accessories and corsage of American Beauty roses.

Charles Gaston was best man. A reception for the immediate family was held at Ye Nicuwp Dorp, Hurley. The bride chose for traveling a gray ensemble with black accessories and corsage of white roses. Upon their return wedding trip they will reside at 207 Washington avenue.

Both Mr. and Mrs. Roosa are graduates of Kingston High School. The bride is also a graduate of Mildred Ely Secretarial School, Albany, and is private secretary to William Robinson, district manager of the New York Telephone Co. Mr. Roosa served four years in the army and was stationed for two years in the Philippines. He is employed by the American Telephone and Telegraph Co. (Ken Roosa Photo.)

First Birthday Party

Karen Elizabeth Boice, daughter of Mr. and Mrs. Roger S. Boice of 38 Esopus avenue, celebrated her first birthday with a party at her home Thursday. Mrs. LeRoy Vogt, who was elected president of the Musical Society for Coming Year; Other Officers Chosen

Mrs. LeRoy Vogt was elected president of the Musical Society of Kingston for the next club year at the March meeting Monday night with Mrs. A. Noble Graham, 21 Janet street. Also elected were Miss Ethel Mauterstock, vice president; Mrs. Ames Newcombe, secretary and Mrs. Kenneth Hicok, treasurer. The slate was presented by Mrs. Bertram Bishop, chairman of the nominating committee.

During the business meeting at which Mrs. Henry Dunbar, president, presided, announcement was made of the biennial State Federation of Music Clubs' convention in New York city, May 5 to May 9. Announcement was also made of the music theory course being planned by the Y.W.C.A.

The April 14 meeting will be held at the home of Mrs. Raymond Hignall, Lindermuth avenue, instead of with Mrs. Graham as originally scheduled in the program.

The Later Romantics—Brahms and Schumann were the topics of the program under the direction of Mrs. Willard Burke. She gave concise biographical accounts of the two composers giving some of the events and associations in each one's life which influenced his compositions. Robert Schumann was born in Zwickau, Saxony, June 8, 1810 and was interested in literature in early childhood, then turned to music at the age of nine organizing little orchestras among his friends. Later he returned to literature and especially poetry and studied law. However, while attending the university he again resumed his interest in music and

ENGAGED MAN'S PROBLEM

A most unusual situation is described by an engaged man: "Before coming to live here, my fiancée lived in a distant city during her high-school and college years and naturally had many friends. One of her former beaux has written her that he is going to be in this vicinity for a week or so on business and hopes to spend as much time with her as she can give him. She says he knows she is engaged to me. What hurts as well as surprises me is that my fiancée evidently believes that I will have no objection to her dancing and dining with him alone. I do object—seriously, not because I don't trust her, but because I think it would be belittling to me to have her seen out with him alone and because I believe people will criticize her. However, I'd like to have your opinion before discussing this matter with her."

I agree with you that your fiancée will be criticized severely and, further, I believe she will place you in an unfair light should she go dancing and dining with this man alone. If you three go out together—or better, invite a different girl perhaps for her—this certainly would be showing him the utmost attention. However, if you follow this plan, she should be very careful that her manner is one of looking at him with you and not looking with him to you. It is really important that she understands what I mean by this and if she does, you will have nothing to fear.

"Jr." Verne "Sr."

Dear Mrs. Post: I know it is not supposed to be proper for a man (Robert Jones, Jr.) to continue to call his "junior" after the death of his father. But, will you explain what can be done when, as in my case, the son's mother is fairly young and the son also has a wife. It doesn't seem expedient for me to drop the "junior." I've tried it, and everything gets all mixed up. Answer: For the very reason that you give, the "Jr." is retained often by the son. The only other way of distinguishing your mother from your wife is for your mother to call herself—and per-

Face Homicide Charge in Death Of Chippy Weiner

New York, March 16 (AP)—Sam to Bretagna, 28, an ex-convict captured in Boston, and William Rosenberg, 33, were charged with homicide today in the ambush slaying of Benjamin (Chippy) Weiner, one-time associate of the Murder, Inc. mob.

Bretagna, who police said boasted he'd never be taken alive, was returned from Boston yesterday after he surrendered to detectives in a bar without a struggle. Rosenberg, held as a material witness in the case, made a date with Weiner's wife, Sylvia, the night he was slain in order to lure her from home, the district attorney's office contends.

A dapper little man, Bretagna was questioned for hours in the district attorney's office about the January 13 slaying of Weiner before being booked. Then Bretagna and Rosenberg were taken to a police lineup so detectives could study them under the glare of bright lights.

Inspector Abraham Goldman said the ex-convict denied any connection with the Weiner killing. The district attorney's office said the shooting was touched off by a gang argument over a division of proceeds from a New Jersey hijacking.

A blast of gun fire killed Weiner as he sat in his lower end seat apartment caring for his infant son.

After a nationwide manhunt,

Bretagna was sized in a Boston cafe.

Chimney Fire

A chimney fire at 31 East Union street was extinguished by firemen who were called at 7:22 p. m. Monday by an alarm from Box 2121 at East Union and Chambers streets, the fire department reported. Carbon in the chimney became ignited when a fresh fire was started in the fireplace of Ezekiel J. Brown on the first floor of the two-family dwelling. Deputy Chief James Brett reported. The building is owned by Morris Moses of 20 Chambers street, Brett said.

Will Reduce Army

Moscow, March 16 (AP)—A communiqué said today the Russian Army will be reduced to two age groups, 21 and 22-year-olds, by the end of March. (Neither the current strength nor the planned permanent strength of the Soviet Army has been announced. Last December Rep. Charles A. Eaton (R-N.Y.) told the U. S. House of Representatives that Russia had an Army of 4,050,000 men. He said he obtained that figure from the War Department.)

Nurses Are Appointed

Four graduate nurses have been appointed apprentice public nurses and are now serving a preliminary Public Health Nursing course with the Ulster County Department of Health preparatory to going to an approved university next September for a one-year course in public health nursing.

Above are Miss Beth Wyman, right, and Miss Irene Lynden, left, who have been assigned to Kingston city territory, and Miss Dora Hartwell who is working out of the Saugerties Health Center.

Miss Gladys Roston is working from the Ellenville Health Center. She was not present for the photo.

On completion of their apprenticeship work they will be given a year in an approved university as part of the recruitment program of the New York State Department of Health to obtain nurses to fill Rural Public Health nurse positions. This year in school will be financed by the State Health Department, as is the time spent in working out the apprenticeship time.

The four girls have been sent

to Ulster county to serve their preliminary training period and will work in conjunction with the local public health nurses in observing public health work. All four of the nurses are graduate nurses who will spend the next six months in studying public health nurse procedure. Miss Sophie Jare, of the New York State Health Department, who is educational consultant in the Division of Public Health Nursing of the state and is in charge of the apprentice nurse program in the state, has assisted the nurses. Redeemer Church Will Hold Lenten Service Wednesday

The sixth in a series of mid-week Lenten services will be held Wednesday at 7:45 p. m. at the Evangelical Lutheran Church of the Redeemer, Wurts and Rogers streets. The pastor, the Rev. David C. Gaise, has announced that the final sermon in his Lenten series will be given on the topic "A Model Christian."

The music for the service will be provided by Frederick Richens at the organ playing "Priere a Notre Dame" by Beethoven and "Andante Cantabile" from Beethoven's Fourth Concerto for Organ. The senior choir of Redeemer Church, under the direction of Leonard Stine, will sing "Incline Thine Ear" by Himmel.

The story of Christ's crucifixion

will be read from the accounts of the Evangelists and at the words "He bowed His head and gave up the ghost," the congregation will sing "Alas, and Did My Savior Bleed" and suitable prayers will be said. The service will use with the Nunc Dimittis, the New Testament Benediction, and the hymn, "Now the Day is Over."

Members of the confirmation class and their parents will meet with Pastor Gaise following the service in the Sunday school room. Mr. Stine has called a rehearsal of the junior choir in the church at the same time.

HIGHLAND

Highland, March 15—William Thompson reported Tuesday evening at the meeting of the Lloyd Rod and Gun Club that he received and distributed 200 pounds of grain for feeding pheasants in the neighborhood. Harold Lyons, chairman for the annual banquet to be held April 7 announces that arrangements are completed. The dinner will be served in the Presbyterian Church hall by the Men's Club of the church. John Young of the Ways and Means Committee had called a meeting for Friday evening. James R. Swift and Albert Roberts of the membership committee announced a prize for the member adding the largest number of new members during 1948. Attending were Ralph Pralino, president; Joseph Skipp, J. R. Swift, James Casaburo, Al. Lester, Dominick Vertullo, William Thompson, Harold Lyons, Michael Fiori, Joseph Phillips, Benjamin Castellano, Joseph McLaughlin, Kenneth Crosier, Albert Roberts, Philip DiStasi, Salvatore Allizio, Edgar Rhodes, John Young, Arthur Martin, W. J. Upright.

Leaving R. Rathgeb left Wednesday by plane to join Mrs. Rathgeb in Lakeland, Fla. They will return next month.

Mrs. Bertram Colline spent the week-end with her son and his wife, Mr. and Mrs. Bertram Colline, Ithaca. She accompanied Mr. and Mrs. George Dirk who drove there to visit their son, a student at Cornell.

Dr. Theodore W. Nowicki, Kingston, was a week-end guest of Mr. and Mrs. Gordon E. Wilcox.

Ida McKinley Council 65, Daughters of America, will sponsor a benefit card and game party 51, Patrick's night, March 17, in Masonic Temple for the replacement

What kind of a figure are you going to cut in the new Spring fashions? If you're even hesitating, start now to get rid of unsightly bulges, heavy hips, untidy waistline.

Here's an exercise designed to streamline your mid-section if you keep at it faithfully. Get down on your knees and stretch your arms up over your head. Be sure to keep your back straight.

(1) Bend body sharply to the right side and lower the hips as far as possible to the floor.

(2) Raise body up straight, bend to left side and lower hips. Repeat four times. Rest. Repeat eight times altogether. When the movements become easier, you can work yourself up to 12 times in one session.

What about the upper part of your back, your neck, shoulders, arms, bust? Have they been permitted to sag and become dumpty during the cold months?

Solve your figure problems with our Reader Service exercise booklet. Written by an expert, it gives 40 pages of valuable advice on trimming your figure to proper proportions. Also included are post-pregnancy and post-operation exercises.

Send 25 cents (coin) for "Beauty and Health Through Simple Exercises" to The Kingston Daily Freeman, Reader Service, 243 W. 17th street, New York 11, N. Y. Print name, address with zone, booklet title and No. 90.

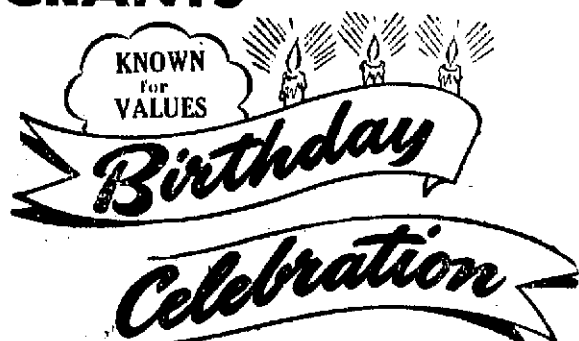

BEWARE OF PIN-WORMS

Medical reports reveal that an amazing number of children and adults are victims of Pin-Worms.

Watch for the warning signs, especially the embarrassing itching rectum. After centuries of Pin-Worm distress, a really effective way to deal with them has been established through JAYNE'S P-W, the new Pin-Worm treatment developed in the laboratories of Dr. D. Jayne & Son.

The small, easy-to-take P-W tablets give satisfaction or your money back. So why take chances on Pin-Worms? If you suspect this nasty infection, ask your druggist for P-W and follow the directions. It's easy to remember: P-W for Pin-Worms!

Prep Star

BILL WESTON

William "Big Bill" Weston, son of K. H. Weston of Vineyard avenue, Highland, has developed into one of the finest athletes in Kingston. Military Academy history according to reports reaching here.

Weston started his athletic career under Coach Willard Brown at Highland High. The rugged 19-year-old, 200 pounder, won a scholarship at the famous Virginia military prep school and played varsity athletics his first year there.

Weston's basketball and football Bill plays first base in baseball. He will be graduated from Staunton next June and plans to enter Syracuse University.

All-Star Center

Weston's great play contributed much to Staunton's third successive city basketball championship. The club won 12 games and lost only one, a decision to the Navy Prep.

Bill made all-state football center last fall for the second straight year.

Ben Chutz Switches to Calvert Reserve for Lighter Highball

Hardware store manager Ben Chutz, of 2304 Shore St., Baton Rouge, La., has switched to Calvert Reserve because of its lighter, it says, "I don't like to be bothered with key hole, on the suggestion of a friend, I used Calvert. Its lightness and smoothness, which I found for good."

Chutz, and of light drinkers like Mr. Chutz, have switched to Calvert Reserve because they found it uniform, smooth and light. The straight whiskey, in this product are five years in more old, 30% straight whiskey, 65% grain neutral spirits, Calvert Distillers Corp., N. Y. C.

Albany Sparks 2nd Half Drive With 22 Points

If you visit Emile Jordan at Chez Emile you have a better than even chance of getting a couple on the house and maybe a twenty-five cent stake.

Jordan's Chez Emile basketballers captured the championship of the Y Basketball League last night, trouncing Sickler's Delivery 57-39 in the playoff for the regular season title at the municipal auditorium.

The revenge motif was sweet for the Chez Emile, the hottest club in town over the past two weeks. They had to come from behind to win their first local title and average a heart-breaking setback in the Y Autumn League playoffs. On that occasion, Sickler's won 55-45 in overtime. Chez Emile failed to score a single point in the extra period.

The favored Sickler's got off to a 23-21 lead in the first half but collapsed under the Chez Emile pressure in the last two periods. The disintegration was complete in the fourth quarter when the Chezies intercepted numerous passes and turned them into baskets.

Big Andy Murphy, a hubwink in Sickler's long string of victories during the season, managed 15 points and Jack Ruzza contributed nine to the losing cause.

Fuller Wins 56-53

A couple of old timers, Hank Krum and Claude Beck scored 12 points apiece to lead Fuller Sports to a 56-53 decision over Kerbonson Otto Clippers. The latter was relegated to fourth position in the Sloughness playoffs.

Fuller led all the way despite 15-point performances by Dewey Greene and Don Schoonmaker of the Ottos.

Highmount Race To E. S. Carter Of Valley Club

E. S. Carter of the Hudson Valley Ski Club won the annual Catskill Downhill Ski Race at Highmount Ski Center Sunday in the good time of 53.3 seconds.

The annual classic was staged under excellent snow and trail conditions.

N. Jensen of the Norsemen's Ski Club was second in 54.2 seconds, with Dick Davenport of the host club, coping their place in 54.3 seconds.

First place in the women-over-16 class was won by Mrs. R. Perkins of Woodstock in one minute 48 seconds. Beverly Davenport of Highmount captured first place in one minute 25 seconds in the women-under-16 event.

Hudson Valley Ski Club won another prize when R. Perkins of that club captured first place in the men-under-16 class in the winning time of 58 seconds.

John McGrath of Phoenixia, ex-Marine and manager of the Highmount center, made the best time of the day as the fore-runner in the race. His time was 53 seconds.

Heavy Week-End Play

Bright sunshine, moderate temperatures and excellent snow provided ideal skiing at Highmount and several hundred people from New York, New Jersey, Connecticut and Pennsylvania turned out for skiing and the races.

The race itself was a controlled downhill affair on the Ulster trail. It started from the top of Belle Ayre slalom and continued through the control flags into Ulster trail, down the Ulster to the finish line near the ski house. There were several spectator spills but no serious injuries.

The skiers and spectators enjoyed the exciting races and Highmount Ski Center plans to expand the annual Catskill Downhill event to make it one of the outstanding winter sports events of the eastern United States.

New York—Harold Greer, 156, Brooklyn, knocked out Art Tatta, 159, New Haven (4).

With a crack 22-team field embracing the best independent basketball squads in several adjoining counties entered, the first annual Kingston, Mid-Hudson basketball tournament gets under way at the Y.M.C.A. gym this evening at 7:45 o'clock.

Rosendale's high scoring Valley Inn quintet with a season's record of 13 wins and 4 losses, meets the Catskill All Stars in the opener.

Stamford American Legion and Catskill Boys' Club are scheduled at 9 o'clock.

Predict Records

New records for attendance and competition are predicted by Lou Schafer, physical director of the Y who is tournament director. Extra seating accommodations are ready for the Y contests.

Doubleheaders are set for Thursday, Friday and Saturday at the Y gym, with the tournament action switching to the spacious municipal auditorium on Tuesday, March 23.

Davkins' Favorites make their tournament debut against the winners of the Catskill-Rosendale game in the March 23 clash. The second game that night pits Montgomery against the Catskill Boys-Stamford contest.

Rosendale Experienced

Veteran Gil Kelder and high scoring youngsters like Holmgren and Williams lead the Rosendale club. Their starting lineup is big and rangy with plenty of experience.

Standout of the Catskill squad which is a combine of Catskill High and St. Patrick's Academy is Al Simmons, high scoring center.

Stamford has a good record against mountain town opposition but is accustomed to a large playing court. This factor is in favor of the Catskill squad. The Greene county aggregation has a 13-4 record for the season with a game average of about 50 points.

Kenneth Harder received the "ice cream" award for his excellent work in Friday night's game. Coach Walter Van Wageningen announced the schedule for the balance of the season. It includes a benefit game tonight between the Saugerties Edison and Woodstock Varsity. The proceeds of this game will be donated to the Library building fund.

S.A. Team to Return

A return engagement by request of the Kingston Salvation Army team will be played on Friday evening, March 19. The first game played a few weeks back between these two teams was a thriller which required an extra five minute period.

The final game of the season will be played on Friday evening, March 26, when the Kingston High School Jayvees will play the Woodstock Varsity in the Town Hall.

Plenty of action is expected in these last games.

Giant Scalping

Giants' first baseman and home-run king Johnnie Mize is a willing subject for Chief White Mountain Lion's scalping technique between innings of exhibition game in Phoenix. Hank Greenberg, left, former Detroit Tiger and Pittsburgh Pirate, now an Indian, enjoys the lesson.

The Grapefruit Circuit

Lakeland, Fla., March 16 (AP)—Rookie pitchers Bob Hogue, Al Epperly and Glenn Elliott of the Boston Braves are slated to face the Detroit Tigers here today.

Hogue, a big right-hander who won 16 and lost 8 last season with Dallas, has impressed Manager Billy Southworth. Epperly, a former Chicago Cub, and Elliott won 14 games apiece for Milwaukee in 1947.

Sarasota, Fla., March 16 (AP)—Some light may be shed today on the Boston Red Sox' pitching strength when Hurler Mickey Harris—victim of a bad arm last year—takes the mound against the Philadelphia Phillies. Harris slumped to a 5-4 mark in 1947 after a 17-9 record in 1946. He has been pitching every day to test his ailing arm and reports have encouraged Manager Joe McCarthy.

Sarasota, Fla., March 16 (AP)—Manager Ben Chapman concentrated today on patching up the Philadelphia Phillies' weak spots which enabled the New York Yankees to collect a 10-5 win yesterday. The Phils tangle with the Boston Red Sox here today.

Lakeland, Fla., March 16 (AP)—Art Houtteman, promising young Detroit Tiger pitcher who was rapped for 11 hits in his first six innings of exhibition pitching, drew the starting assignment today against the Boston Braves. "He's been pitching in hard luck so far," Manager Steve O'Neill said. "This time he'll get plenty of time to warm up well before he starts to throw, and should do better."

St. Petersburg, Fla., March 16 (AP)—Veteran Spud Chandler is scheduled for his initial exhibition appearance of the spring today as the New York Yankees engage the St. Louis Cardinals for the third time.

Chandler is the only regular pitcher who hasn't played a game. Alie Reynolds and Joe Page will follow Chandler on the hill.

Hollywood, Calif., March 16 (AP)—The New York Giants and the Pittsburgh Pirates, whose 1947 meetings were highlighted by home runs, hook up for the first time this season today.

So far in ten games, the Giants

Harvard Turns To Single-Wing

Cambridge, Mass., March 16 (AP)—Harvard's 85 football candidates begin learning their new Michigan single wing offense today.

A staff composed entirely of former Wolverine grid stars will install the Michigan attack at Harvard.

Head Coach Art Valpey starting his first season here, completed the coaching roster yesterday with the appointment of Elmer Mauer, Michigan all-America end in 1946, as end coach.

Backfield coach Dave Nelson and Line Mentor Forrest (Butch) Jordan both learned football at Michigan under "Fritz" Crisler.

The squad, led by backfield star Kenny O'Donnell of Worcester, Mass., gets into football togs today for its first workout at Briggs Cage on Soldiers Field.

A two-hour blackboard drill occupied the opening spring practice session yesterday.

Providence, R. I.—Johnny Larusso, 130, New York, outpointed Al Smith, 128, Roxbury, Mass. (10).

St. Louis Billikens Choice Over N.Y.U. in NIB Finals

New York, March 16 (AP)—The St. Louis Billikens, a team of tremendous, almost professional poise, and New York University, rich in fire and spirit, will meet Wednesday night for the championship in the National Invitation Basketball tournament.

A berth in the Olympic tryouts is the added prize in this title match, which rings down the curtain on one major post-season event in Madison Square Garden just in time for opening of another. The eastern N.C.A.A. eliminations begin Thursday.

Fourth-seeded St. Louis crossed up the tourney officials by expelling No. 1 ranked Western Kentucky last night, 60-53, in a hard-driving game. N.Y.U., playing without the services of star Guard Don Forman, outscrapped and scrapped DePaul of Chicago, 72-59.

N.Y.U., second in the seedings, gave 18,478 Garden customers a rousing demonstration of get-up-and-go in whipping DePaul, but there is question they have enough of it to cool rangy Ed Macauley and his Billiken mates.

St. Louis is a stout favorite. Macauley, the All-America six-foot-eight wheelhorse of the Billiken attack, scored 19 points to help dismiss Western Kentucky and continued in his usual magnificent role as a play-maker.

The individual sensation of the evening's doubleheader, however, was Ray Lumppp, N.Y.U.'s crack hookshot artist. Lumppp hit the nets for 29 points, including 11 field goals.

He and John Dorderian, a defensive stalwart, broke the backs of the DePaul team that twice pulled level with the Violets at 17-17 and at 47-47 but could never go ahead after the first minute of play.

Newark — Buddy Farrell, 159, Newark, outpointed Jackie Cooper, 151, Chicago (10).

Scranton, Pa. — Charlie Williams, 152, Newark, outpointed Johnny Green, 153, Buffalo (10).

Small Time Coach Succeeds McMillin

Bloomington, Ind., March 16 (AP)—Clayde B. Smith, head football coach at La Crosse (Wis.) State Teacher's College, today was named head grid coach at Indiana University, succeeding Alvin N. (Bo) McMillin.

The appointment of Smith, a former Indiana line coach, to a three-year contract was announced today by Athletic Director Paul (Pooch) Harrell, following approval by the university board of trustees. No salary terms were disclosed.

Yankees-Dodgers Grapefruit Kings

New York, March 16 (AP)—The New York Yankees and the Brooklyn Dodgers, 1947 World Series foes, top the American and National League respectively in the "Grapefruit" League today.

Both sport perfect records with the Yanks the more impressive. The Yanks have won eight games, including one by the "B" squad while the Dodgers have won all their five starts. The Dodgers, however, have yet to engage a major league club while all of the Yanks' victories were against big league competition.

The Pittsburgh Pirates trail the Dodgers in the National League and the Philadelphia Athletics the Yanks in the American. The Pirates have won five out of six starts for a .833 percentage and the Athletics two out of three for a .667 mark.

In The Pocket

with CHARLIE TIANO

The Week-End Hash:

Coach G. Warren Kins scouted Mont Pleasant in the Section I finals in Albany Saturday night and came away convinced that Kingston can beat the Red Raiders if they play their game. . . . The Maroon will be up against plenty of screening and blocking and set plays for the first time this season. . . . Coach Sig Makowski still leans on many of his old pro basketball tactics. . . . The Kinsmen will not have to concede anything in height or shooting power. . . . Kingston's old habit of warming up slowly may work against them but the Maroon's overall record on the road is not to be taken lightly. . . . They averaged 59 points in 18 regular season contests and hit for a 57 point average in the hinterlands, in spite of 32 points in Newburgh. . . . Such hellish totals as 64 in Port Jervis, 65 in Middletown, 73 in Monticello, 61 in Fallsburg reveal the Maroon's poise on foreign hardwood. . . . Coach Kins predicts a close battle and thinks Kingston can turn the trick.

Bagatelles:

Frank Neighbors, the stylish Kingston Dodger southpaw who was shelled by an arm injury in the latter part of the 1947 season, is business manager of the Pulaski, Va. Class D Brooklyn farm club in the Virginia State League. . . . In a recent letter to Warren Smith, the ex-Dodger lefty said: "I hated to see Brooklyn leave Kingston but really don't blame them. I don't think any club in organized ball would be successful in Kingston unless a real baseball park were erected, or at least until a covering, suitable backdrop, and other minor improvements were made to the municipal stadium. . . . In Kingston, just like in almost every other town and city in the country, a large group of 'habitual' fans—those who like yourself attend almost every home game—must be present, since the average fan cannot swallow the cure to the habit of attending a game. . . . The habit of fan is created by: 1. general interest in and a good knowledge of the game; 2. specific interest in an individual or a group of players on the club; and 3. the presence of a park that looks and 'feels' like a baseball park, not necessarily elaborate or decorative, but one in which he more or less feels at home." Well turned phrases, Hank.

Flotsam and Jetsam:

Merlin Tier, the Poughkeepsie southpaw knicker, rolled 1907 in the recent city tournament there. Just six pins off the all-time record of 1913 created by Lou Depaulo in 1942. . . . Tier clicked 604 in the team, 631 singles and 672 doubles. . . . Depaulo, incidentally, is attempting a comeback, rolling his 40 or 50 games a week and buying new balls in local quantities. . . . Florence Warren, of American, was runner-up to Ann Sobolowski for second place honors in the WIBC honor roll with 726 until Elaine Melchiorre, of Hackensack, N. J., posted 743 on games of 285, 213 and 265. . . . Verna Stephens of Columbus, Ohio, holds the women's record for most splits in one evening. . . . The lady roller had 17 splits, including six 7-10 splits in the last game of the "double pinball" in the 10th frame. . . . Mrs. Gladys Sullivan, of Poughkeepsie, bowling in the Bridge City tournament, put together a string of nine straight pins to wind up her second game and then had six more before converting a spare in her third game. . . . Marjorie Stouthoff entered the same tournament with an average of 134 and proceeded to roll games of 134, 134 and 134. . . .

The Robinson Case:

Jackie Robinson, 15 pounds overweight and reportedly in the dodger spring training doghouse, probably wonders if it was worth it all—his campaign for recognition as the first Negro player in modern big league baseball. A .207 hitter on a pennant winning ball club, he listens silently as Brooklyn's big white lefty public he wouldn't last two months in the big league. . . . Take a look at the Robinson record for 1947. . . . Robinson topped the circuit in steals with 29 and sacrifices 29. . . . He was second in scoring with 125 runs, and in being hit by pitched balls, ninth in hits, 10th in total bases. . . . Robinson batted .207 for a batting average of .207. . . . Jackie swiped 15 bases as Elbert Field and 11 away. . . . Six of his steals were against Pittsburgh. . . . He stole second 23 times, third three times and home a similar number of times. . . . He was thrown out only nine times, all trying to reach second. . . . Robinson hit .207 for the season, .207 in daylight and .207 under the arc. . . . His slugging average was .201 and on the road he hit .304. . . . He had a batting streak of 21 consecutive games, starting June 14. . . . His 13 homers were achieved against six of the rival clubs. . . . Is this the kind of ball player who has to "fight" for his job?

That crack woman golfer who calls Phoenix and Kingston her home, Mrs. Clarence T. Voss, is sparkling in the winter golf circuit at Sarasota, Fla. . . . Mrs. Voss was the medalist and championship flight winner in the recent Midwinter Championship Tournament for women at the Sarasota Bay Country Club. . . . She also won the month of February award for 18 par putts.

MULLIGAN MIKE SAYS: Welcome and congratulations to Ed Reilly, new sports editor of the Evening Leader.

Inn Beats Pine Bush

Rosendale's Valley Inn basketballers notched their 14th victory of the season with an impressive 55-34 verdict over Pine Bush on the Orange county court.

Williams and Kite collaborated for 27 points as the Innmen registered one of their top triumphs in the final tuneup before tonight's opening of the Mid-Hudson Basketball Tournament at the Y.M.C.A.

Rosendale led 32-29 at half-time. Patti, Pine Bush guard, dropped in 15 points.

Jenkins Heads Newburgh Card

After a three weeks' lapse, pro fights will be resumed at the Avalon Recreation Center in Newburgh next Monday night (March 22). Promoter Lou Tarr announced today.

The Avalon fight shows were cancelled last month due to unfavorable weather conditions.

Tarr said that the Avalon Athletic Club will resume its weekly fight shows with a star-studded card featuring an eight-round bout between Jesse Jenkins, 160-pound Monticello slugger, and

Unseeded Player Poses Threat in Indoor Tennis

New York, March 16 (AP)—Frank Shields of New York meets the tournament darkhorse, Brooklyn's Nathan Goldstein, today in one of the feature matches of the National Indoor Tennis Championships.

And it wouldn't be surprising if the Brooklyn player gave Shields, one of the seeded favorites, a busy time in the quarter final match.

Goldstein was the only unseeded player among the eight who gained quarter final berths in the men's singles division. He reached the select group by upsetting Chauncey D. Steele of Cambridge, Mass. yesterday 3-6, 6-2, 6-3.

Steele was seventh in the American seeded list. Last week, Goldstein eliminated France's Jean Borotra.

The other quarter finalists are Billy Talbert of New York, seeded No. 1; Marcel Bernard, French champion who tops the foreign list; Sidney Schwartz, Brooklyn, No. 5; Irwin Dorfman, New York; Armando Vieira, Brazil; and Ed McGrath, Brooklyn.

Talbert overcame the 3-0 lead of Henri Rochon of Montreal in the second set to win by 6-1, 6-4, 6-4. Rochon, 24-year-old southpaw, was named Canada's No. 1 netman yesterday in the annual rankings released by the Canadian Lawn Tennis Association.

Bernard, a southpaw and champion of France in 1936, was taken to three sets by Frank Bosdon of Madison, N. J., before winning 6-4, 3-6, and 6-3.

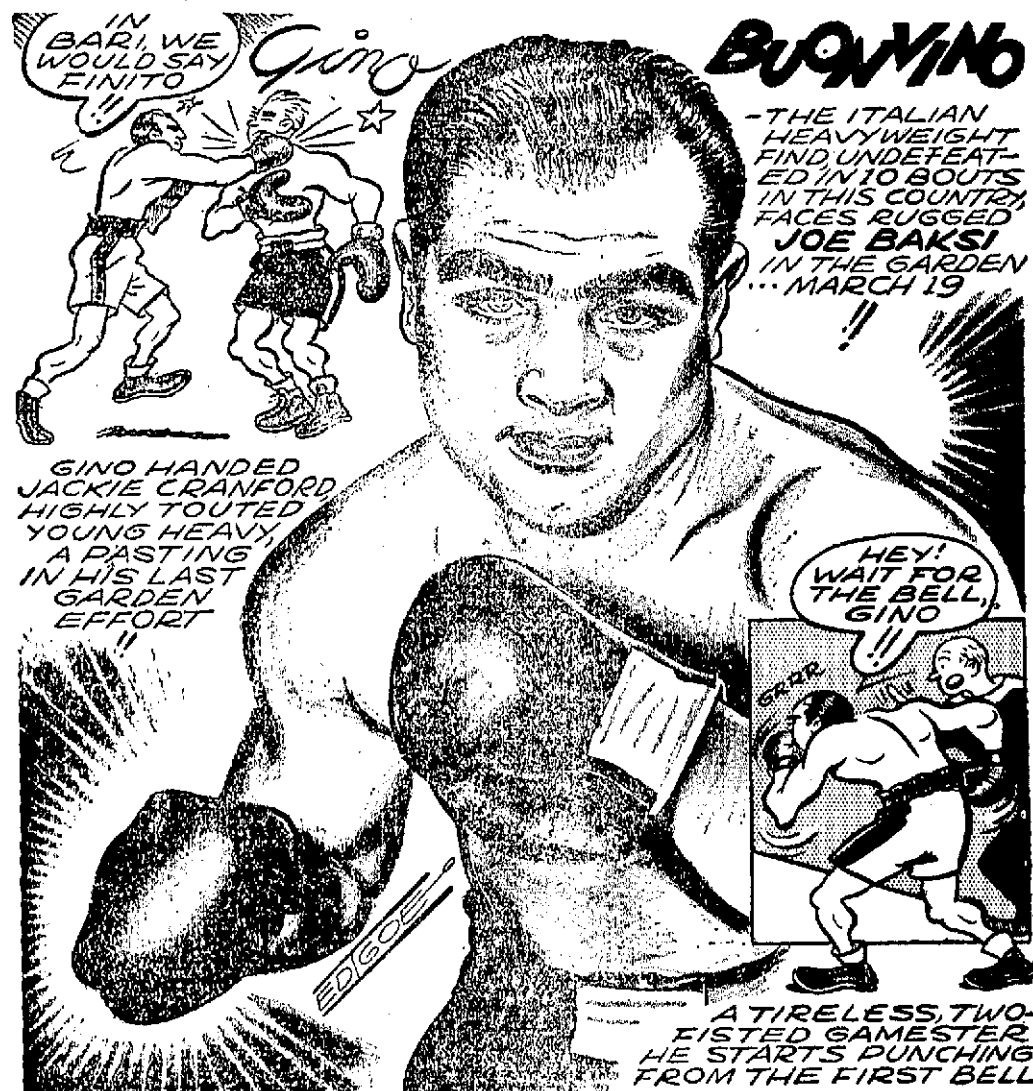

Schwartz had to rally to defeat Andy Paton of the University of Michigan, 1-6, 11-9, 6-2. Shields advanced over Daniel Rivkin, Brooklyn, 7-5, 6-1; Vieira defeated Bill Madubani, Philippines, 6-4, 6-4; Dorfman eliminated Marcel 12; Kent, New York, 6-4, 6-4; and McGrath defeated Gilbert Bogley, Chevy Chase, Md., 6-4, 6-1.

Jack "Spider" Armstrong, 131, Toronto, outpointed Phil Terranova, 135, New York (10).

Dani Yovello, Poughkeepsie middleweight.

Five other bouts including three four-rounders and two six-rounders are being arranged by Matchmaker Jimmy Ambrose.

The bouts will start at 8:45 p. m.

Firemen Score 70-43 Victory

The high scoring twins of the Rosendale Valley Inn quintet—Williams and Kelder—switched to the Firemen's uniform over the week-end and powdered the wicket with equal vigor in leading their club to a 70-43 romp over Sacred Heart of Kingston.

Williams swished 12 buckets while the Wild Horse connected 10 times from scrimmage. An oddity of the game was the fact that all of Rosendale's points came via baskets.

Greenwald and McCordie scored 16 and 12 respectively for Sacred Heart. The Firemen led 30-18 at the half.

Crisler Quits Football

Ann Arbor, Mich., March 16 (AP)—H.O. (Fritz) Crisler, who guided Michigan to the apex of football glory, today ended his coaching career.

Even as he announced his retirement from the football bench, the handsome, greying, 49-year-old mentor named as his immediate successor Benny G. Oosterbaan, his backfield assistant.

Crisler will remain the university's athletic director.

He started the sports world with his announcement shortly before midnight, attributing his decision to "the exacting demands" of his position as head of the department of physical education, athletic director and head football coach.

His withdrawal as head coach and the appointment of Oosterbaan was discussed and approved, he said, by the Michigan Athletic Board in control just prior to his announcement.

First Victory For Schilling

Frank Schilling rallied with a high run of 27 to defeat Ralph Gardner, 125-97, in the city pocket billiard tournament last night at the Kaschke Parlor.

The win was Schilling's first in five starts. Gardner suffered his fifth straight loss.

Gardner held a 15-ball lead in the early stages of the match but Schilling moved ahead with runs of 27 and 15 and then struggled for his last few points. Gardner had a run of 13.

Eddie Benoit and Bob East are scheduled tonight.

Bowling

Belcher's assured themselves of at least a tie for first place in the Independent League by defeating Vogel's Dairy, 2-1, last night in a crucial match on alleys 3 and 4.

Charlie Grunwald banged 245 and 604 but it wasn't enough for the Dairyman who dropped the first set by three pins. Gene Vogel posted 193-569; Don Vogel 214-546 and Leo Everett 192-543 for Vogel's. Bruce Davis anchored Belcher's with 200-559 and Rudy Kubicek furnished 195-543.

In their high scores in the loop: Roland Post 208-551; Bill Davis 245-575; Ed Trombley 215-571; Lou Van Alstyne 196-576; Bob Jones 219-585.

City League Notes

Spectators yawned politely while Jake's Grill polished off the once mighty Colonials, 2-1, in the City League, on adjoining alleys. Jack's Restaurant was moving severely toward the pennant with a clean sweep over Bull Market.

Charlie Grunwald shot 254 solo for Jake's with "Stooge" Robinson packing 583 and Gil Simpson 231-581. Les Hotelling's 213-600 paced Colonials. Schneiders won two from Immanuel, dropping the first game by pin.

"Pope" Myers had a 220 and Randy Kelder 236-580.

Howard Cracks 268

Dick Howard furnished a rousing 268 blast for Jack's Restaurant against Bull Market. Two 10-pin taps robbed the youthful ace of a huge game. As it was the 268 was just a pin shy of the league record. He tallied 665.

Steve Fassbender Jr., paced Bull Market with 208-577.

Chirlin Smacks 464

Max Chirlin who has moments now and then was on the beam in the Good Neighbor League, fashioning a beautiful 646 on games of 235, 214, 197. It was one of the best efforts in the loop since Hal Tirsch, the Fuller Brush man went on a mad strike spree several weeks ago.

Other scores of note were H. Singer 183-529; J. Kessler 205-551; Murray Greene 224-572; Dr. Saul Goldfarb 196-567; M. Friedman 215-523; Don Siedler 216.

Huber Leads Freeman

Nick Huber corralled the only "500" triple in the Freeman League last night, clicking 514 with 197, 189 and 158.

(?) Sleight Hits 621

Sleight, first name unidentified, could be Herb or Red, paced the City Minor League pinsters with a 621 series, leading Tommie's to a 2-1 win over Rosendale. He fol-

lowed a 193 opener with two sets of 214. Chic Maurer shot 846 for the winners. Tom Welch, City Minor bulwark, shot 109-543. Ralph Mayone of Local 186 was runnerup to Sleight with 610 on solos of 190, 217 and 203. Ed Schupp anchored Boulevard Gulf with 242, 202, 140-584. T. Berardi shot 214. But Greenburg 213; Ben Sklor 212; Best, Marcus 205; "Boots" Leslie 209-563; Ken Newell 197-555; A. Amato 205-537 and Norm Sande 203-550.

Red Cross Collects \$12,302 So Far in County Campaign

Partial Report Reveals Areas Doing Well in Drive to Reach \$34,400 Goal

A total of \$12,302 toward Ulster county's \$34,400 goal in the annual American Red Cross campaign, has been collected to date, it was announced today.

A partial report on a few of the heavier contributing areas in the drive shows \$1,516 raised to date toward a \$2,000 quota in the city's First Ward.

The Eleventh Ward has raised \$486 toward its quota of \$950 and the Twelfth Ward \$840 toward a \$1,500 quota.

A report from Woodstock shows \$869 raised toward a goal of \$1,500, as the campaign is now at its half-way mark.

recovery with which the committee had to deal. The others were a multilateral treaty, a permanent international organization, and a list of other needs.

The committee did not discuss the possible inclusion of Spain, as far as could be learned. There had been talk that Portugal would propose extending the Marshall Plan to Generalissimo Franco's nation.

Britain and France proposed the inclusion of Germany, which before the war was the industrial heart of Europe. The western zones of Germany are expected to be represented by the occupation authorities, assisted by German advisors. The Germans would have a voice, but they would take part in deliberations of the conference working committee.

This means the Germans would have a voice in preparing the statutes for the new international organization and the articles of an all-for-one treaty, binding together the Marshall Plan nations.

A U. S. delegation headed by Harry Laborious of the State Department will be available in Paris for consultation, it was disclosed.

Six of 14 foreign ministers attending the sessions spoke yesterday. The sessions will probably be heard today.

They are the ministers from Belgium, Austria, Eire, The Netherlands, Luxembourg, Norway, Portugal and Sweden.

The long, technical labors of thousands of obscure experts in many lands came to life today under klieg lights and amid the haze of cigarette smoke.

Delegates already have discounted the American statement that Italy would get no Marshall Plan aid if it goes Communist in next month's election.

They assumed that a Communist-Italy, like other Communist-led states, would keep out of the plan. Italian Communist leaders have said as much.

Most of the foreign ministers will leave for home tomorrow. The "work group" officials will stay for work, however, to hammer out details of the projected accord.

conservation practices this year under the A.A.A. program. The bill also promises a \$225,000,000 appropriation for this purpose next year to cover the 1949 crop year.

The \$543,421,453 total okayed by the committee is \$89,105,198 below the amount the department was given for the past year.

While the cash approved is actually \$91,911,027 less than President Truman's proposed budget for the department, \$65,000,000 of the cut is a paper transaction.

The President had asked for \$65,000,000 cash for the school lunch program. The committee instead ordered transfer of that amount from funds the department receives from customs collections on agricultural imports.

The bill will come before the House for debate late this week.

Legislation Is Shelved

Washington, March 16 (AP)—The House Agriculture Committee voted 16 to 10 today to shelve all legislation to repeal federal taxes on oleomargarine. Chairman (R-Kans.) said: "This kills legislation to repeal these taxes at this session of Congress."

Girl Scout Drive Begins in Ulster

Among the speakers at the "kick-off" meeting of the current Girl Scout Finance Drive for \$12,000 at the Governor Clinton Hotel Monday night were from left, Mrs. J. Judge Cashin Lauds Girl Scouts' Work At Drive Meeting

"The work of the Girl Scouts is training the children to maintain the peace and promise of the world and teaches that friendship should reach out beyond the boundaries of cities and counties to good people everywhere," said Judge John M. Cashin at the "kick-off" meeting of the current Girl Scout finance campaign for a goal of \$12,000. The meeting was held Monday night at the Governor Clinton Hotel with Judge Cashin, chairman of the drive for the Kingston District, presiding.

"Adults are struck with horror at what goes on in the world today, and wish they could do something about it. Girl Scouts are doing something about it. They are making friendship kits for needy children in other parts of the world," Judge Cashin said in speaking to the workers. He urged them to "go forth in the spirit of a crusader because you have something you can sell."

need to continue military help to those still-troubled countries.

The Senate Foreign Relations Committee resumes hearings on a \$275,000,000 Greek-Turkish military fund today. The issue also is before the House Foreign Affairs Group, which has announced plans to write the military assistance project into a separate section of its Marshall Plan bill.

House to Be Pressed

That \$5,300,000,000 measure already passed by the Senate appeared certain to bring a presidential plea for swift House action.

Anticipating such a request, the Foreign Affairs Committee called another night session in the hope of finishing its bill by tomorrow.

Aiding Chairman Vorys (R-Ohio) told newsmen after a three-hour meeting last night he is "hopeful" the committee will complete its work by the time the President is ready to speak.

The House Republican Steering Committee, which shapes party policy, called a meeting this afternoon to work out a tentative schedule for actual House consideration. Many members are hopeful the House can pass an aid bill before Easter.

In addition to foreign assistance measures, Mr. Truman also is widely expected to press again for congressional action on universal military training.

In fact the Senate Armed Services Committee postponed from today until Wednesday afternoon—after the President's talk—the start of its U.M.T. hearings.

However, few Congress members thought Mr. Truman would ask now for the drastic step of reviving the wartime draft. Such action was suggested last week by James E. Byrnes, former secretary of state and still a good friend of the President.

But senators who put the question up to Marshall a few days before Byrnes spoke said the sec-

retary of state told them he is opposed to bringing selective service back to life.

The cabinet member's position, they reported, was that the armed services do not have the camps and equipment now to take care of large numbers of men.

Marshall remained firm, they said, in his belief that U.M.T. would provide the answer to filling the ranks of the Army, Navy and Air Force where volunteers have left many vacant spaces.

The House U.M.T. bill, however, has been bottled up for months in the powerful Rules Committee of that chamber with no hint that it can be jarred loose this year.

Mr. Truman's friends declined to guess whether he might ask for additional appropriations for the armed forces.

The White House said Mr. Truman's speech probably will require 15 or 20 minutes to deliver. It will be carried by all major radio networks.

It was indicated in some quarters that the President had planned to deliver the address at a New York St. Patrick's Day dinner tomorrow night, but decided that Congress should get the information first.

Those who spoke of this said they are inclined to believe the President intends only to sum up the whole world situation.

However, House Speaker Martin (R-Mass.) said he understands Mr. Truman has "some new information on the foreign situation he wants to give Congress."

None of the congressional leaders was consulted in advance of the White House announcement yesterday that the President would address Congress in person. But some thought they might be called in later today.

Rabbi Passow Will Speak Wednesday

The first of a series of six lectures to be delivered under the auspices of B'nai B'rith Lodge of Kingston will take place Wednesday evening. The speaker will be Rabbi Meyer Passow, executive director of Empire State Zionist Region. His topic will be "Zionism From Herzl to the U. N." The public is invited. No admission will be charged. Rabbi

Passow is known throughout the area as an eloquent and informative speaker. The meeting will be conducted as a discussion forum with introductory remarks by Rabbi Passow.

Other lectures will be held every two weeks. Rabbi Plotke will speak on The Growth of the American Jewish Community, Wednesday evening, March 31, and will be followed by other interesting speakers.
